

Hope For Rehoboth

Supporting Orphans & Vulnerable Children

November 2020 Update:

Thank you so much again for all your support. These are some of the most challenging times we have ever experienced. We continue to support both staff and children at the school during this pandemic.

Rehoboth has seen a sharp spike in Coronavirus cases. Cases have risen 375% in Rehoboth in one week. Milly is awaiting the news of a second lockdown. Only 6 children returned to the school when it reopened after the first lockdown, with a further 12 attending the after school club.

The soup kitchen is continuing to flourish as a large outreach programme feeding the local community including children. For some, this is a lifeline and life would be even harder without it. Milly has been determined to grow her own vegetables in order to help provide healthy food each day.

Over the past months Milly and her team have been taking on more outreach/ community work providing care packages to the most needy. Despite the challenges we are blown away by Milly's faithfulness. We stand with her believing Jeremiah 29v11. "For I know the plans I have for you," declares the Lord. "Plans to prosper you and not to harm you. Plans to give you a hope and a future."

Christmas: Each year we help provide a party and present for every child at the school. This will look a little different this year but we still want to bless each child with a gift. If you would like to donate specifically for this please use the **reference –Christmas** when you make your donation. Thank you.

If you would like further information or want to join us and give monthly, please contact us at hopeforrehoboth@hotmail.com
